

Airport Consultant (m/f)

Starting July 2017, Hamburg (Germany)

airport consulting

We are looking for an ambitious Airport Consultant based in our office at Hamburg Airport. You would be responsible for projects on Terminal and Master Planning, Airport Processes and Passenger Experience in Germany and abroad.

Responsibilities

- Plan, support and coordinate airport project activities
- Prepare and develop concepts, drawings, presentations and other documents related to the project
- Stakeholder management to determine all requirements for new or changing airport facilities
- Advise and support our clients with your specific expertise and experience in the airport business
- Support our activities on Passenger Experience, Facilitation and Security within ACI Europe and ACI Africa
- Provide regular input to administration, marketing and acquisition tasks of our company

Your Profile

- University degree in transportation, architecture, aeronautical or civil engineering
- Specific knowledge and enthusiasm for the aviation industry
- Minimum 2 years professional experience within the airport business
- The outstanding quality of your work meets and surpasses the needs & expectations of our clients
- You have a flexible and open attitude and are ready to work in other countries
- Intercultural skills and ability to work independently and as part of diverse teams
- Language skills: Excellent German and English, additional languages are a plus
- Ability to use a variety of tools in the development of plans, presentations and other documents (e.g. AutoCAD, CorelDRAW, InDesign, MS Office)

Are you interested?

We look forward to receiving your application with the relevant documents at info@th-airport.com.

About Us

TH Airport Consulting provides services for planning and optimization of airports with a focus on enhancing the passenger experience as well as operational efficiency. Through our detailed knowledge of the airport functions as well as the specific requirements of the passengers and stakeholders we can provide the best consulting services to our clients. As World Business Partner with ACI EUROPE and ACI Africa we are active members in several committees and working groups. For our engagement on the Passenger Experience we have received the **ACI EUROPE World Business Partner Award** in 2015.
